- After skinning make sure all dirt and blood are washed from your trophy using clean cold water
- Ensure that you are using fresh coarse salt, avoid using the so called "rock salt"
- Never leave trophies out in the sun to air dry, always put them in a shady place to air dry
- Never transport or store your skins in a plastic bag
- Avoid leaving the skin/carcass on the back of your pick-up in the sun for long periods of time.
